Alexandria was nicknamed "**Small Town USA**" by the US Department of Defense during WWII. Pamphlets were created to show the typical US town to the enemy as a way of propoganda. The city holds an annual **Small Town USA Festival** to honor its heritage on the second weekend in September at Beulah Park.

There are many other activities and events throughout the year too. Beulah Park is home to the **Madison County 4H Fair** every July. Other events held are the **CARE Day** (May), **Safe Halloween** (October), and **Annual Christmas Parade** (December).

In August, the streets of the downtown are filled with over 3000 spectators and drivers for the **Alexandria Grand Prix**. This annual go-kart race is one of the largest events of its kind in the state and is a sanctioned race on the circuit of the Southern Indiana Racing Association.

Famous residents include **Bill and Gloria Gaither**, winners of 7 Grammys. Gaither Studios is a very busy recording center for different types of music. It is especially known for producing Gospel music.

Alexandria is also home to Joey Martin of the country duo, **Joey+Rory**. They won the *Top New Vocal Duo of the Year* at the Academy of Country Music Awards in 2010.

Alexandria is home to what is lauded by the *Guinness Book of World Records* as the **World's Largest Ball of Paint**. Visitors can come for a visit and add another layer of paint to the ball. The "paint ball" is recognized also by "*Ripley's Believe It or Not*" and has been on many news reports including *CBS News*. The ball has been visited and painted by many celebrities like: The Oak Ridge Boys, Tom Green, and Jimmy Kimmel.

The Alexandria School Corporation has 3 schools which houses K-12. There is also the St. Mary's Catholic School which has K-8. There are several universities and colleges within driving distance: **Ball State University, Anderson University, Ivy Tech Community College, Harrison College, Taylor University** and **Indiana Wesleyan University**. Alexandria is also home to the **Alexandria School of Scientific Therapeutics**, one of oldest accredited schools of massage therapy in the state.

*Alexandria has the charm of a small town, backbone of a striving community, and a heart of a champion. That is why we love our "Small Town USA".*
